AXA Porcelaine – Povestea unei mese cu suflet

Totul începe cu o farfurie. O formă simplă, dar care poartă în ea promisiunea unui moment special. La AXA Porcelaine, nu fabricăm doar veselă – spunem povești din porțelan. Fiecare colecție este născută din pasiune pentru estetică și respect pentru cei care, zi de zi, pun suflet în arta ospitalității.

Suntem o afacere de familie care crede în frumusețea lucrurilor bine făcute și credem în cei care știu că un plating spectaculos începe cu o bază inspirată. Ne găsești în restaurante, cafenele, hoteluri și săli de evenimente din toată țara. Ne regăsești în privirea unui chef care a găsit farfuria perfectă pentru semnătura sa culinară. În zâmbetul unei mirese care își vede visul devenit realitate într-un decor elegant. În aplauzele unei cine rafinate, unde fiecare detaliu a fost gândit cu grijă.

Știm că frumusețea nu e un lux, ci o alegere zilnică. De aceea, selecția noastră îmbină designul contemporan cu durabilitatea – pentru ca vesela AXA să inspire în fiecare zi, indiferent dacă e o petrecere fastuoasă sau un mic dejun liniștit în grădina unui boutique hotel.

În spatele fiecărei colecții se află oameni. Oameni care visează, desenează, testează, aleg nuanțe, conturează margini, împachetează cu grijă și oferă cu bucurie. Iar când aceste obiecte ajung în mâinile voastre, știți că nu ați primit doar produse – ci o parte din povestea noastră.

AXA Porcelaine este despre emoție, despre rafinament, despre acel „ceva” care face diferența. E despre cum alegem să transformăm fiecare masă într-o experiență memorabilă.

Bine ai venit în lumea noastră – unde eleganța se servește cu zâmbet.

Beneficiile porțelanului hotelier și gastronomic AXA Porcelaine

Design durabil, porțelan vitrifiat la 1400°C | Durable design, vitrified porcelain at 1400°C

În concordanță cu normele sanitare | Complies with health norms
